

West Chiltington Village Hall

IN THE EVENT OF A FIRE

If smoke or extreme heat is detected, the fire alarm will automatically sound, and the hall duty manager will be contacted immediately.

If you see smoke or fire, press the nearest fire call point as shown above. This will activate the alarm.

CALL 999

Give the Fire Brigade this address:

WEST CHILTINGTON VILLAGE HALL
Mill Road, West Chiltington RH20 2PZ

The hirer/person in charge must ensure that:

- **Everyone leaves by the nearest emergency exit.**
- **Do not stop to collect personal belongings.**
- **The hirer/person in charge checks areas only if it is safe to do so.**

Assembly away from the building in the main recreation
ground car park

- **Do not re-enter the building until authorised**
- **by the Fire Brigade or Duty Manager**
- **Do not touch the fire panel**
- **The Duty Manager/Trustee will arrive shortly**

Duty Manager contact: 07491 315283

Note: The fire panel is in the foyer of the main hall entrance
